Dear Archie:

Last fall we received some information concerning the above named individual. At that time it was indicated that he had been arrested.

We still have not found in our files a Confidential Record Sheet which would enable us to identify Mr. Omahen should he try to register from some other location. If you will complete the one which I am enclosing this will help us in building our file.

We would also like to know whether final legal action has taken place and any sentencing which may have occurred. With this information we should be able to complete our file.

Sincerely,

Re: Alan Lee Omahen

Dear Archie:

Please be advised that the above-named individual was arrested today for the offenses of Sexual Exploitation of Children and Child Molestation. I have personally reviewed the evidence and it appears that the individual is in fact guilty and that a successful prosecution will result.

Since as he has previously been a scout master, I thought that I should advise you of this situation so that you can make certain that he has no further involvement with the scouting anywhere.

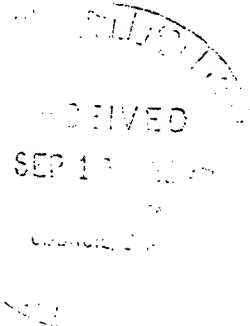

If I may answer any questions for you concerning this matter, please do not hesitate to contact me.

Sincerely,

ROBERT E. WILSON
